

PUT IN JAIL FOR ANOTHER'S DEBT

Zebewski Spent Three Weeks in Ludlow Street Prison, Though He Had Only Acted as Agent in a Sale.

There has just been released on bail from Ludlow Street Jail, through the efforts of Sheriff Erlanger, a victim of the east side installment-plan-collection system whose story is an illuminating illustration of the injustice that can be done on honest but ignorant man by taking advantage of the twists of the law. This Zebewski was three weeks in jail and has a judgment against him for \$10, for property he never purchased, never had the use of, and which is now practically back in the hands of the man who secured the judgment.

Zebewski, who does not read or write English, lives at No. 139 East Fourth street. Last spring he made the acquaintance of one Michael Smith, who had just been married, and desired to purchase household furniture. Zebewski took Smith to the furniture house of Barney Scher, at No. 137 East 10th street, and introduced him.

A Deal in Furniture. Scher sold Smith \$150 worth of furniture. Smith paid a deposit of \$27 on the spot and agreed to pay the sum of \$2 every week until the entire \$150 should be paid. He also paid \$2 for moving the furniture from Scher's store to his home.

A few days after the sale Scher sent for Zebewski and handed him \$2, which Zebewski says, he announced was commission on the sale of goods to Smith. Zebewski signed what no amount was a receipt for the \$2. This turned up later as a written guarantee that Zebewski would pay for the furniture in case Smith defaulted.

Smith paid \$2 weekly for twelve weeks. Then he got a job at the World's Fair in St. Louis, stored the furniture and left the city with his wife.

When Smith did not turn up with his \$2 the next week Scher went after Zebewski with a demand for the money. Zebewski who had not seen Smith for weeks, was astounded when Scher sprung the guarantee against him. He asked for time to communicate with Smith. Scher said that he would bring Smith unless Zebewski got Smith to settle.

Zebewski located Smith and wrote to him. Smith sent back all the receipts he had taken from Scher for the payments, and also the warehouse receipts for the furniture. He wrote that he would pay up later as a written guarantee that Zebewski would pay for the furniture in case Smith defaulted.

TANTED BLOOD

Columbus, Ohio, May 19, 1903. Some four years ago I was suffering from impure blood and a general run-down condition of the system. I had no appetite, was losing flesh, and had an all-gone tired feeling that made me miserable. I began the use of S. S. S., and after taking seven or eight bottles my skin was cleared of all eruptions and took on a ruddy, healthy glow that assured me my blood had been restored to its normal, healthy condition. My appetite was restored, as I could eat anything put before me, and as I regained my appetite I increased in weight, and that "tired feeling" which worried me so much, disappeared, and I was once again my old self. I heartily recommend S. S. S. as the best blood purifier and tonic made, and strongly advise its use to all those in need of such medicine. VICTOR STUBBINS, Cor. Barthman & Washington Aves.,

Wheeling, W. V., May 28, 1903. My system was run down and my joints ached and pained me considerably. I had used S. S. S. before and knew what it was, so I purchased a bottle of it and have taken several bottles and the aches and pains are gone, my blood has been cleansed and my general health built up. I can testify to it as a blood purifier and tonic.
